§ 3.323 Combined ratings.

(a) *Compensation*—(1) *Same type of service.* When there are two or more service-connected compensable disabilities a combined evaluation will be made following the tables and rules prescribed in the 1945 Schedule for Rating Disabilities.

(2) *Service-connected and non-service-connected disabilities.* Evaluations for service-connected disabilities may be combined with evaluations for disabilities not shown to be service connected and not the result of the veteran's own willful misconduct.

Whenever a veteran is suffering from two or more separate permanent service-connected disabilities of such character as clearly to interfere with normal employability, even though none of the disabilities may be of compensable degree under the 1945 Schedule for Rating Disabilities the rating agency is authorized to apply a 10-percent rating, but not in combination with any other rating.

§ 3.325 [Reserved]

§ 3.326 Examinations.

For purposes of this section, the term examination includes periods of hospital observation when required by VA.

(a) Where there is a claim for disability compensation or pension but medical evidence accompanying the claim is not adequate for rating purposes, a Department of Veterans Affairs examination will be authorized. This paragraph applies to original and reopened claims as well as claims for increase submitted by a veteran, surviving spouse, parent, or child. Individuals for whom an examination has been scheduled are required to report for the examination.

(b) Provided that it is otherwise adequate for rating purposes, any hospital report, or any examination report, from any government or private institution may be accepted for rating a claim without further examination. However, monetary benefits to a former prisoner of war will not be denied unless the claimant has been offered a complete physical examination conducted at a Department of Veterans Affairs hospital or outpatient clinic.

(c) Provided that it is otherwise adequate for rating purposes, a statement from a private physician may be accepted for rating a claim without further examination.
